Scoops and Shots from the Past!

Food & Beverage and Hospitality 2024 is focused exclusively on food, beverage & hospitality, the first and only of its kind in Nepal in recognition of the tremendous growth in the sector. While food and beverage has become big revenue source and profit centers for the hotels, restaurants and “party-palaces” have mushroomed beyond anyone’s expectations in the last twenty years. Likewise, take-away food outlets, street food vendors, super-markets and grocery stores have popped up in every neighborhood and markets in large numbers.

Food & Beverage and Hospitality 2023 will host about 200 exhibitors, and features 7 interactive live events. And of course, numerous sample tasting counters during the Exhibition to involve and engage the industry buyers and visitors.

Food & Beverage and Hospitality exhibition attracts more than 36,000 business visitors and consumers. While the event is primarily a business-to-business event, consumers are expected to visit in great numbers. Business visitors will be able to check the exhibitor’s list and directly pre-book appointments with the exhibitors for the duration of the exhibition. Starting this year, FBH 2024 visitor promotion will be reaching out beyond Nepalese southern borders to Uttar Pradesh and Bihar.

Food & Beverage and Hospitality Exhibition clearly defines and demonstrates the power of live marketing. A TV or FM commercial cannot do what an exhibition can do. What an exhibition can do a print or billboard ad cannot do. The exhibition is a rare event that gives you far more possibilities than even a door-to-door sales. The exhibition has always proven to be a kick-off to the forthcoming food and beverage season - Dashain, Tihar, Chhath, Christmas, New Year, and wedding season!
